We wanted you to be informed of what is on offer for the students. We will run trials for the sports where there is lots of interest.

We often require parent support and/or help on the day so if you have expertise in the above sports such as umpire/coaching and you are keen to lend a hand we would love to have you.

**NB:**

**AIMS** is an international sporting championship. It is an intermediate competition run in the Bay of Plenty. This is an elite sporting competition. Kohia Terrace has not in the past sent teams, however, this is under review for 2018. If you are wanting your child to participate in an individual sport they can be registered by the school. However, after this, all further arrangements are the responsibility of the parents.

It is not run at a social level and students going would be training in their chosen event 2-3 times a week in their own time.

Any other queries see Jayne Settle or email her [jayne@kts.school.nz](mailto:jayne@kts.school.nz).

Thanks so much for your continued support.
