Cost

The cost of fees for the season is \$100 per player. This fee covers registration, prize giving, equipment, and uniform. Any questions regarding the fee please contact Jayne Settle: jayne@kts.school.nz.

Fees due by Friday 16 March 2018 for registration. Please pay by the due date to ensure a place in a team. These can be paid at the office or at the KTS Shop on our website. [Click here](#) for a direct link.

Umpires

We will be requesting an umpire for each game for the Year 5-8 teams. This will allow coaches/managers to dedicate more time to the players. The umpires are offered by Auckland Netball at a cost of \$10 per game which will be covered by the fees. Please see at bottom of page details on coaching clinics.

Teams and Training

With the arrival of new children and improvement of skills in other children, teams may not necessarily be the same as previous years.

Player Responsibility for Training and Competition Games

As part of their commitment to a team, players are expected to attend every training session unless there is an illness or injury. Players need to wear the appropriate footwear for training and to each game along with the correct uniform. Bringing a full water bottle to training and games is recommended (no sports drinks please). Players are expected to have their hair tied up, pinned back and nails trimmed short. It is advised you do not get your ears pierced during the season. Training can be either before school, lunchtime or after school depending on the coaches preference.

To register your child(ren)'s interest in playing netball for Kohia Terrace School for the 2018 season please complete the Registration form below and **return to school by Friday 9th March 2018**. Please note that the competition is open to **girls and boys**. Please check other sporting/dance/musical instrument lessons - so that there are no clashes.

Parent Help

We can only enter teams if we have a coach and manager per team. Please register your interest on the registration form. If you are not sure of how the game is run Auckland Netball run coaching clinics and are very supportive. Please look at this website for more information.
