

## FLIPPABALL TERM 4 2018

Please read below for all the information.

Fees are \$100 per player which includes fees, Auckland Grammar pool hire and prizegiving cups. If your child is interested for Term 4 2018 please fill in the form below and return it to the office.

We need to have 8-10 players to form a team. **Each team needs a manager and a coach** as we cannot submit a team without them. The manager needs to organise the team at the games, email out playing times etc. Trainings will be at an outdoor pool and we will confirm trainings closer to term 4.

The games are on Sunday afternoons and trainings are on Tuesdays or Wednesday after school - parents must accompany the child to the training and the game. In the past, parents have rostered themselves on so that you do not all have to attend trainings. The reason we need parents there are for Health and Safety reasons.

Below are some guidelines and information for players if they are considering Flippaball.

- \* **The pool is 120cm deep.**
- \* **Children need to be about 130-135m to be able to touch the bottom and be able to see the ball and breathe above the water level.**
- \* **Be comfortable in the water without goggles.**
- \* **Children need to be confident swimmers and stay afloat in deep pool water confidently for at least 30 seconds.**
- \* **Can swim a length of a pool confidently without stopping.**
- \* **Demonstrates fairplay and listens to the coach - who is at times a College student.**
- \* **With the games on a Sunday it is important that parents are able to commit to attending the games at this time.**
