Uniform Reminder

A reminder that we have a [school uniform code](#). Please make sure your children have correct footwear as detailed in the uniform code.

Dogs in the School Grounds.

We love that so many of you take the opportunity to take your dogs for a walk and reduce the traffic chaos around the school. We do have some guidelines for dogs on school property - please read them [HERE](#).

Money Matters

Invoices were sent out last week for donations and activity fees. A breakdown of the activity costs and more details around payments can be found on our school website [School Payments Information](#). School donations paid by 31 March are tax deductible. If you are paying in Term 1, we offer a \$40 discount, therefore \$440 in term 1 only.

Payments can be made direct to the school bank account (12-3048-0433992-00), through Kindo or by eftpos at the school office.

We have had a fantastic start to the year. Thank you to all of you who have got stationery sorted and got your children back into routine so quickly. We look forward to sharing our strategic direction and goals for 2018 at the parent meeting on our Meet the Teacher evening at 6.00pm. Until then - enjoy these lovely summer evenings - **Alison**

Spotlight on Sport

Basketball

Thank you so much for all your basketball interest.

Our 4 teams are now all full.

If you are still interested you can email me and I will put you on the waitlist as sometimes we have changes each term.

Training starts next week. Thanks.

Swimming Sports

I had so many offers of help - we are fully staffed for the day now thank you. Thanks for being such an awesome and supportive community.

Swimming sports is Thursday 18th February starting at 9:00.

Flippaball

Our two teams are full.
