We welcomed three new students to Kohia this week - Tali (Rm 4), Tolson (Rm 7) and Tydon (Rm 14). It is lovely to have you at our school.

I spent the last three days of last week in Wellington at the New Zealand Principals Federation Conference. As always it was good to connect with both secondary and primary school colleagues. The teaching crisis was much of the conversation over break times but it was also good to celebrate the flexibility we have in our curriculum and the focus on ensuring students are aware of and engaged in their learning. Creativity was a major theme along with the need for deep learning learning that reflects the key competencies to ensure success, learning from one's mistakes and resilience.

There was lots on at school over the last few days worthy of celebration.

Jump Jam

Congratulations to the two Jump Jam teams who participated in the North Island Regional Competition in Tauranga at the weekend. The performances were their best so far and blew Miss Williams and the parents away. The Year 5, Pump It team, came away with 2nd place and the Year 3-4 Give It Up team didn't place, but performed their little hearts out. Across the teams they received certificates in Excellence in Technical Execution x2, Excellence in Sportsmanship, Excellence in Presentation x2, Merit in Costume and Merit in Creativity x2. Miss Williams couldn't be more proud. We would like to thank Katie Williams who has coached both teams all year, and Jessica Field and Elizabeth Moore who supported on the day.

E Pro8

Two teams of intermediate students, supported by Mrs Friedlander and Miss Zarifeh, attended an EPro8 competition at Blockhouse Bay Intermediate. Students were faced with a range of challenges involving engineering, innovation and problem solving. The year 8 team won first prize, while the year 7 team came third. An impressive result for a first-time entry by Kohia.

Kids Marathon

They ran, and they ran and they ran. Congratulations to our Kids Marathon team of 2019 for the completion of a marathon over the last 10 weeks. This is a big effort but such a great event to be part of. Thank you so much to Victoria Park for overseeing the team this year. See the section in sport for more details.

And some reminders...

Strike Action – November 12th

As you would have heard in the press last Friday, NZ teachers and principals have rejected the latest offer from government and have elected to strike for a second time. Auckland teachers and principals will strike on Monday 12th November unless there is a settlement before then. It would be appropriate to make plans for the care of your children on this day. Further plans will be discussed with the Board this evening and decisions made about school closure for instruction will be communicated in due course.

Writing by Room 4 inspired by a Taniwha camping story

"One midnight I was camping. The midnight moon was in the sky and something came out from the river. The boy knew it was a green monster, so he ran away so fast!" By Daniel

"One pitch black night I was camping. I was roasting a marshmallow when suddenly I saw... a TANIWHA! He said "marshmallow" so I gave him a marshmallow. But I ran out of marshmallows so I ran away and gave it a pillow instead. It roasted the pillow and it burned up into his face!

That was a lucky end!" By Rishi

Kids Marathon

What an amazing day the Kids Marathon team had on Sunday! The weather was perfect for their last 2.2km run in the city, along the same

final route as the Auckland Marathoners.

Twenty-four keen KTS runners participated and with over 700 children running, the atmosphere and excitement was incredible (as were the red faces crossing the finish line). They can all be very proud of how they ran.

Well done to all the runners who over the last 10 weeks have completed a marathon. *Victoria Park*

A special thank you to Victoria Park who oversaw the running of this event. Lots of organising and picking up race packs. She put on a hot chip lunch on Monday and provided medals for those who did the training but were not old enough to run. Thanks so much Victoria. We would also like to thank Grace for running with the group each week and to the other parents that turned up to help out. We really appreciate your help. Jayne Settle

Athletics Day Wednesday 7th Nov Year 4 - 8

Please make sure students are at school with their house shirt on, sports shorts, shoes, sunhat and sunscreen. They need enough water and food for the day – remember it gets quite hot. Thanks to all those people who are helping, you will have received your information about the day. If you are coming to watch we are at Field 2, 53 O'Rorke Road and you need to park in Parking Area 2 and keep all valuables out of sight. It will be a great day and I am looking forward to seeing everyone putting into practice the skills they have learnt over the last term.

Futsal Tournament

The Desert Foxes Futsal team were invited to play a Futsal tournament over the weekend against the Australian national futsal squad of players our age who had travelled to New Zealand. The top 4 Auckland Y5–6 teams were to play the Australian squad, which was divided into 4 teams. On Saturday we went to Epsom Girls Grammar School to play 2 out of our 4 games. In a hard fought first game against Australia Green we tied 2–2 and we knew it would be a tough competition. In our second against Australia Red we won 5–3. On Sunday we played first against Australia Blue and tied 4–4. We knew we had to win our last game against Australia Gold to have any chance of winning, and we were behind 0–2. In the last 10 minutes we turned it around and we won 6–2. Three points were awarded for a win and two for a draw. Overall, we got 10 points and came first out of the 7 other competitors. On the first day the total points of the four Australian teams was 16 and 10 to the Auckland teams, but on the second day Auckland went unbeaten so the final score was 33–18 to the Auckland teams. We had a great time playing and everyone in our team played very well, and everyone scored at least one goal apart from Jacob our goal-keeper. Desert Foxes Team: Kishan, Hamish, Jacob, Xavier, Archie, Fergus, and Louis. Written by Fergus and Louis.

Central Auckland Futsal Academy

My name is Callum Christopher and I am looking at creating a futsal training academy for primary-aged players attending schools in the Eden-Albert-Epsom area. This would be based at the Maungawhai Primary futsal courts. I would like to see how much demand there would be for this and ask that any players/parents interested in a comprehensive futsal development programme (to run alongside players' existing club football commitments). Email me at callum.e.christopher@gmail.com or text 021 238 7431. Please provide player name, year level, date of birth, and typical club football/other commitments during the year. I will then assess the levels of demand and feasibility to start next year or perhaps this year with some ages. The idea is to offer trainings rather than competition leagues. The training curriculum would be the same one used by Brazil's top clubs.
