

Dear Parents/Caregivers

### **KOHIA Pick 'n Mix**

One of our main fundraisers in 2018 is the Kohia **Pick 'n Mix**, a fun way for our students to raise funds from the community through a novel approach to learning. Students will select three of the following five **Pick 'n Mix** activities:

1. Jump Jammer (jump jam for set time)
2. Fitness Fanatic (jump rope rotation)
3. Maths Master (maths basic facts questions)
4. Trivia Champion (general knowledge questions)
5. Word Whizz (questions related to grammar, spelling etc)

Each area is tailored to our different year groups i.e. Years 1 & 2, Years 3 & 4, Years 5 & 6, Years 7 & 8. The students earn credits (refer to the yellow sponsorship sheet) for the various year levels. For example, if they manage 20 mins of Jump Jam they will earn 20 credits, 20 trivia questions again earns 20 credits. The Word Whizz questions are worth ½ credit each.

Students will revise Pick 'n Mix learning in class or through home learning, ready for the big Pick 'n Mix week – **Tuesday 26th June – Thursday 28th June**. The focus is on having fun while learning and great prizes are up for grabs to celebrate our students' efforts.

We ask you to support your students to seek sponsorship from the community over the next few weeks. Sponsorship forms will be sent home **Tuesday 29th May**. We hope this can be a fun and social process for them as excitement builds up to the day. On **Friday 29th June** a **results slip** will come home with an envelope to collect money. The sponsorship form will also have our school bank account details if friends and family would like to donate via direct credit. Please reference your **child's name, room number** and keyword '**sponsor**'. Sponsorship forms and money should be returned by **Tuesday 24th July 2018**.

Funds raised will go towards the PTA fundraising targets for the year which include our new iPads and digital technology equipment. Our aim is to make this fundraising process rewarding whilst benefiting our community. The target for the quiz is \$15 000, which is approximately \$40 per student.
