

MT EDEN TENNIS

During the holidays, David & Josh will be running clinics for players aged 5 - 17 years. The children are put into groups, in relation to their age and standard. We believe we offer a friendly and positive environment where there is no time wasting - children are constantly rotated through various skills. The older children are coached on every shot, every day, which creates maximum improvement. Plus, the children play singles and doubles every day. Coaching is on rain or shine.
