

神韻晚會 2017 SHEN YUN

Experience a Divine Culture

ShenYun.com/AKL

There was a time when the world was full of splendor and miracles. Sages and immortals walked the land, and emperors ruled by the will of heaven. The divine guided and inspired, and people lived in harmony with the universe and believed in a connection among all things.

You could see it in the arts, hear it in the music, and sense it in the very air.

Shen Yun brings profound and timeless stories to life on stage through richly expressive classical Chinese dance, vivid animated backdrops, and an enchanting orchestral sound. A mesmerizing experience you don't want to miss.
