

HELP MAKE A DIFFERENCE AND A CHANCE TO WIN A \$50 PREZZY CARD!

On behalf of an educational institute we are conducting some market research to get a better understanding of areas such as: how parents and students choose a school, what schools could be doing better and which features of a school are of value to a parent and student.

We are particularly looking for parents with daughters in Years 5, 6 and 8 to take part.

By clicking on the link and answering a short online survey – your opinion will help identify what senior schools could be doing to improve.

The survey takes approximately 15 to 20 minutes and on completion of the survey – if you have given your name and email address – you will go into the draw for the Prezzy card!

GO TO WWW.SURVEYMONKEY.COM/R/SCHOOLY7 OR SCAN THE QR CODE

All answers will then be tabulated such as 80% of all participants believed X.
No individuals will be identified in the data and all comments will remain confidential.

Thank you
