

Cornerstone Pillars

Leave Your Mark on Our Community

We are offering you the chance to leave your own, very tangible way of recognising your important place within our community with a commemorative plaque on the Cornerstone Pillars. Imagine the pride your children, and their children in years to come, will have seeing this record of their time at Kohia Terrace School. Your donation will also help the school to provide resources for the students who follow in your children's footsteps.

The pillars are situated outside the intermediate classrooms, and each pillar represents one of the four School Houses: Hillary, Snell, Sheppard and Te Kanawa. Plaques will be displayed under your family's house colour.

To ensure your legacy continues, simply donate \$150 for a plaque displaying the name of your child. If you are ordering more than one plaque, the second will be \$100, and then \$75 thereafter.

Fill out the form below with your details and give your community and family a gift to remember!
